CLC has an impressive collection of historic political cartoons by John McCutcheon, former Lake County resident and cartoonist for the Chicago Tribune. You can view all 24 original pen and ink drawings on the second floor of the Library.

This cartoon, *Election Een*, was published 80 years ago on October 31, 1930. This would have been the middle of Herbert Hoover’s first term with the Great Depression just beginning to take hold. The voter seems unaware of the goblins.
