

ARTIST LINKS

FOR ARTIST MEMBERS WITH WEBSITES

The Gallery is initiating a new service for Artist Members! We will be adding a new section to the gallery website titled **ARTIST LINKS**. *If you have a website* and would like to be listed in our **ARTIST LINKS** section, just fill out the information below and we will set up the link for you. Simple as that!

In return, we would like for you to create a reciprocal link to the Gallery website on your site. This additional exposure is a great benefit to you and to the Gallery!

Visit the Gallery website at <http://gallery.clcillinois.edu>

You will find an abundance of information available about our exhibitions, catalog and brochure archives, the permanent art collection, and soon to be unveiled podcasts for selected works in the permanent collection!

ARTIST LINKS parameters:

- Your Artist Membership must remain current to keep your link active on our site.
- The content of your website must be your personal art, and may not contain offensive images or language.
- **We would appreciate a reciprocal link on your site to the Gallery.**
 - Please title your link to our gallery: **Robert T. Wright Gallery**. A customized button for our link will soon be available for download on our website.
- If you have questions, email Jane Ellefson at: jellefson@clcillinois.edu
